COMPANY OVERVIEW

VIPGLOA LLC is a Maryland-based, woman-owned small business providing responsive sourcing, supply fulfillment, and project-support solutions for defense, federal, state/local, institutional, and commercial buyers. Since 2020, VIPGLOA has supported DLA requirements involving OEM, approved-source, hard-to-source, and technically specified products, with coordination across documentation, packaging, marking, logistics, contract administration, and delivery.

CORE CAPABILITIES

- Defense, aerospace, OEM, approved-source, and hard-to-source components
- IT hardware, computers, peripherals, networking, software, and office technology
- Laboratory, scientific, medical, technical, and commercial supplies
- Industrial, MRO, electrical, hardware, tools, PPE, and facility products
- Office, laboratory, institutional furniture, construction materials, and site support

PERFORMANCE HIGHLIGHT

DLA Purple Next 10%	Supplier Performance Recognition DLA designation reflecting a strong relative supplier-risk and performance position among evaluated suppliers.
----------------------------------	---

- DLA support since 2020 for technically specified federal supply requirements
- Quality documentation, inspection coordination, packaging, marking, and shipment support
- Manufacturer, distributor, contracting, quality, and logistics coordination
- Urgent RFQs, repeat buys, one-time purchases, subcontract sourcing, and delivery follow-up

CONTRACT & PROJECT SUPPORT

- RFQ support, vendor outreach, pricing coordination, and responsive quote development
- Subcontract, facility, construction, logistics, and site-support sourcing coordination
- Order follow-up, shipment documentation, delivery tracking, and customer communication

Supply OEM • MRO • IT • Lab	Compliance Docs • Packaging • Marking	Execution RFQs • Delivery • Follow-up
---------------------------------------	---	---
